6/12/76

Dear Bud,

They've renumbered the rural routes. We are now on 12, not 8, without moving.

I'm forwarding your letter to Howard.

I have no recent pictures. I don't recall if the WxPost took any a year or so ago.

The last I recall were by the Baltimore Sun, except possibly at one of the last two press conferences. I don't know if any of the papers or services then made any.

Maybe Floyd or one of the other students did. I'll ask him when I see him.

You are wecome to make a selection from those I have.

Sincerely,
